The Highway 50 Association Wagon Train has many fun filled activities guaranteed to entertain everyone in the family. There is a meeting each night following a delicious catered meal. Our Wagon Master will remark on the day's journey and share the following days instructions. You must be there. Bring your chairs and share in the camaraderie with fellow pilgrims. If we have musicians in our group, we may enjoy their talent, If you would like to share music, tell tall tales, or share an appropriate craft skill, Let us know, even if it is last minute.

Our Service Trailer will be available during all daily stops and during the nights. It contains 3 potties for our travelers and 275 gallons of fresh water for our horses.

## Services

- Shuttle Service is available daily, for a \$10 fee per day, to help people move their vehicles, cars and trailers to our next stop.
- FOOD: You may provide your own food and cooking arrangements. However, we have a caterer the Saturday, June 1 dinner meal through Wednesday June 5 evening meal. Includes two hot meals and a bag lunch, available for pickup at breakfast. Separate reservations for food will be made and paid for before the Wagon Train. The menu will be available online in April. Extra daily meals may be available some days. Check with the Registration Clerk or Caterer.
- NOTE: Meals for the final Thursday, Friday and Saturday will be on your own. Meals are available for purchase from Fresh Pond Deli and Pollock Pines Community Center.
- Thursday afternoon June 6 (about 5pm) our annual BBQ takes place. The Association supplies Tri-Tip, bread, and water. Everyone participating contributes to the Potluck: a salad, hot dish, or dessert.
- All wagon passengers will be assigned a wagon seat by the Registration Clerk. Passengers will remain in that wagon for the trip, unless otherwise directed by the Registrar. Occasionally wagon loads are adjusted when grade or horse conditions demand.
